# SEX and DRUGS and ROCK N' ROLL

*are not the kind of stimulation that VIRGIN GAMES  
is proud to offer in the pages of this catalog.*

**Daredevil  
Richard Branson  
is founder  
extraordinaire of  
the VIRGIN GROUP—  
a dynamic world-  
wide entertainment  
empire with busi-  
nesses ranging from  
travel (VIRGIN ATLANTIC  
AIRWAYS) to music  
(VIRGIN RECORDS)  
to video and to,  
that's right, computer  
entertainment

**N**ow that we've got your attention — allow us to hold it with our RICH and EXOTIC sampling of new releases guaranteed to STIMULATE your imagination.

**F**or 1992, our line-up has something for thrill-seekers of all ages. On the computer front, we'll send you soaring into orbit in SHUTTLE™, a space shuttle simulator that was developed with NASA's help. Or, if you prefer a little foreign intrigue, we'll send you undercover to expose corruption in KGB™.

**F**or NES gamers, M.C. Kids™ introduces Mick and Mack in their action-packed video game debut — One cool game, two cool kids! The award-winning PRINCE OF PERSIA® will soon be making appearances on a Game Boy and an NES near you. Just to prove we've got something for everyone, sports fans will be able to custom-design their own dream course and then save it with Greg Norman's GOLF POWER™.

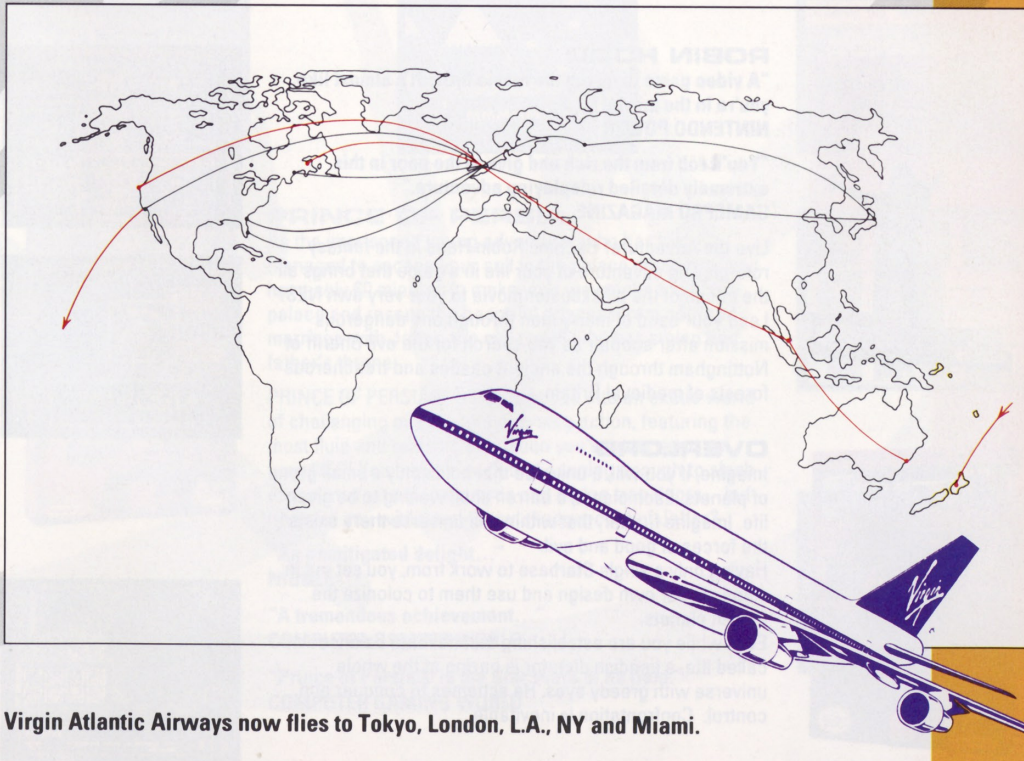

**A**lso, be on the lookout for TERMINATOR™ from our new SEGA GENESIS™ line.

**A**s always, you are an important part of our creative team. We rely on your feedback to help us create innovative products like the ones you'll find in this catalog. We hope you'll enjoy playing our new games as much as we have enjoyed creating them.

**Some of Virgin Records hot artists are Paula Abdul, Phil Collins and Janet Jackson.**

**Virgin Atlantic Airways now flies to Tokyo, London, L.A., NY and Miami.**

## GOLF POWER

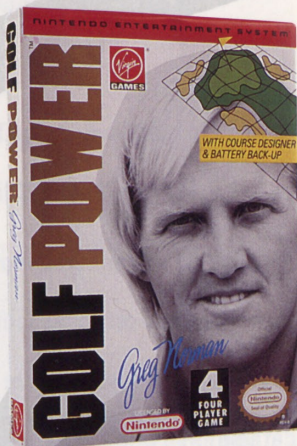

Close your eyes and imagine the perfect golf course. Whether you conjure up an image of a real-life, world famous course or visualize a championship course of your own design – if you can dream it, you can play it with **Greg Norman's GOLF POWER**. Our exclusive Course Designer with battery back-up allows you to customize your own 18-hole championship course and then save it in memory.

GOLF POWER challenges you with:

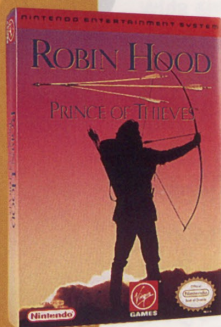

- Multiple putting and driving ranges
- Amateur, Pro-Am, and Professional levels of play
- Practice, Matchplay and Strokeplay with single and team play options (up to four players)
- On-screen ability to control your swing, for a game that demands more skill than luck
- Changing wind and weather conditions

Create a dream course, play one of the pre-set courses in England, Scotland, the USA or Japan, or rejoin a saved game right where you left off.

Just like the Great White Shark, you'll need total concentration, strategy and control to make the leader board.

## ROBIN HOOD

"A video game to match the movie hit!...It's almost like you're in the movie!"  
**NINTENDO POWER**

"You'll rob from the rich and give to the poor in this extremely detailed roleplaying adventure."  
**GAMEPRO MAGAZINE**

Live the Adventure! Become Robin Hood in the fantasy role-playing adventure of your life in a game that brings all the action of the blockbuster movie to your very own NES! Lead your band of merry men through one dangerous mission after another as you search for the evil Sheriff of Nottingham through the ancient castles and treacherous forests of medieval Britain.

## OVERLORD

Imagine, if you will, a universe that holds only a small group of planets. Each planet, a barren shell waiting to be given life. Imagine further, that within this universe there exists the forces of good and evil.

Having only a single Starbase to work from, you set out in ships of your own design and use them to colonize the barren planets.

Even while you are establishing that delicate balance called life, a fiendish dictator is gazing at the whole universe with greedy eyes. He schemes to conquer and control. Confrontation is inevitable.

## M.C. KIDS

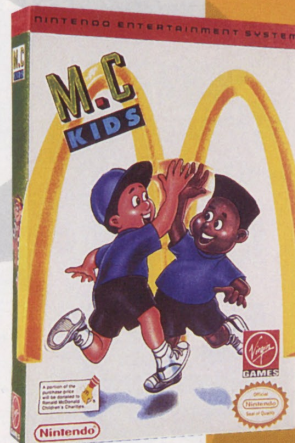

### ONE COOL GAME. TWO COOL KIDS

Meet Mick and Mack – the coolest kids in McDonaldland. Now that Hamburglar has run off with Ronald's magic bag, the M.C. Kids need your help to find him. You'll need to move pretty fast to dodge creatures like Goferit and I. Psycho, solve tricky puzzles and explore the secret levels of McDonaldland. If you're going to help the M.C. Kids track down Hamburglar, you're going to have to make some totally fresh moves of your own. Oh yeah – once you've figured out how to play this game right side up – try it upside down!

#### EXTRA COOL FEATURES LIKE:

- Completely original upside down blocks that will really flip you
- Over 30 levels that scroll in all directions to run, jump, duck and throw objects in
- Reverse spinner to send you back where you came from
- Seven worlds to search through where you'll raft across a lava river, skid across an ice bridge—or even land on the moon!
- The pace and the challenge of advanced action strategy games
- Two player cooperative mode

**PARENTS:** This game has been developed in consultation with Developmental Psychologist Frank Manis, Ph.D. M.C. Kids is a delightful, fun, interactive way to introduce kids to creative problem solving while providing hours of challenging fun.

## PRINCE OF PERSIA

As the imprisoned young adventurer who has just managed to escape your cell in the palace dungeons, you have only 60 minutes to make your way to the top of the palace and rescue the beautiful princess from a forced marriage with Jaffar, the evil tyrant who has stolen her father's throne.

PRINCE OF PERSIA® will plunge you into an exotic world of challenging puzzles and non-stop action, featuring the most fluid and realistic animation you've ever seen on your NES! You may be swift and cunning enough to slash your way past palace guards and dodge trap doors...but how will you withstand the wicked sorcery of Jaffar?

"An unmitigated delight..."

## PRINCE OF PERSIA

Seventeen years have I, Jaffar, served as Grand Vizier to the Sultan of Persia. Now the hour of my triumph is at hand. Already I sit on his throne, and soon I shall have his daughter as well – the Princess, whose beauty is like the stars and the moon.

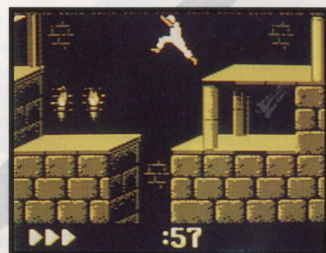

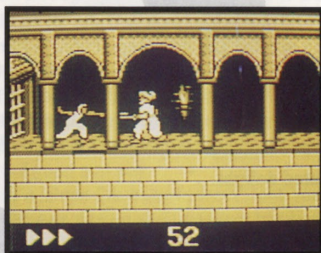

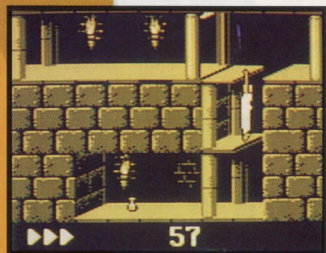

Of course, I would never force myself upon this lovely creature. I shall give her a full hour to reach her own decision. She shall choose me of her own free will – or forfeit her life.

And yet she clings to her fantasy of rescue. The object of her childish infatuation? A young adventurer – a nobody – who is now, on my orders, a prisoner in my dungeons. Even should he escape his cell and bypass my cunning traps and palace guards – he is still no match for the evil of my sorcery. Or is he?

- Fluid animation and quick, responsive controls
- Non-stop action combined with the exploration and puzzle-solving challenge of an adventure game
- Movie-like storyline with intrigue, romance, and surprising twists
- 12 levels of difficulty

"(★★★★/★★★★) Incredibly realistic...The adventurer character actually looks human as he jumps, climbs, and hangs from ledges."

## CAESARS PALACE

At the heart of Las Vegas Strip, Caesars Palace beckons you into a land of fantasy with bustling cardtables, jingling coins and dazzling lights. Now you can experience the pulse-quickening excitement of casino gaming anywhere you go with CAESARS PALACE for the Game Boy. **PLAY:**

**BLACKJACK** – Dealer slides you two cards. They total 16. Do you play the odds, stand or take a hit?

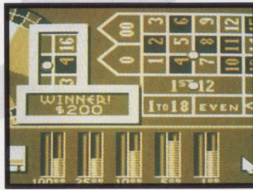

**VIDEO POKER** – Select your wager – your cards are revealed. Discard and draw, but be careful not to throw away a potential winning hand. It's as much a game of skill as of chance.

**SLOT MACHINES** – Try to coax a jackpot out of The FOUNTAIN OF FORTUNE, The RICHES OF ROME or THE MAGNIFICENT SEVENS.

**ROULETTE** – Place your bets, spin the wheel and watch the ball roll over the slots – into your number? Round and round it goes – where it falls, nobody knows.

**THE BIG SIX** – Find out once and for all if Lady Luck is on your side when you spin CAESARS BIG SIX MONEY WHEEL.

Once you've experienced a taste of casino gaming, you'll never want to leave CAESARS PALACE!

## SPOT

DISCOVER THE MOST ADDICTIVE STRATEGY GAME SINCE TETRIS™!

As easy to learn as checkers, yet with levels of complexity that will challenge even chess players, SPOT The Video game offers endless play value for young and old alike.

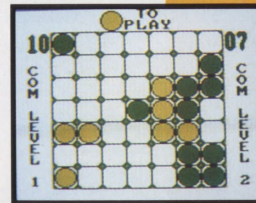

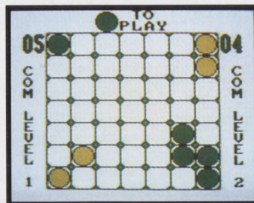

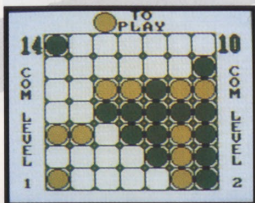

Featuring:

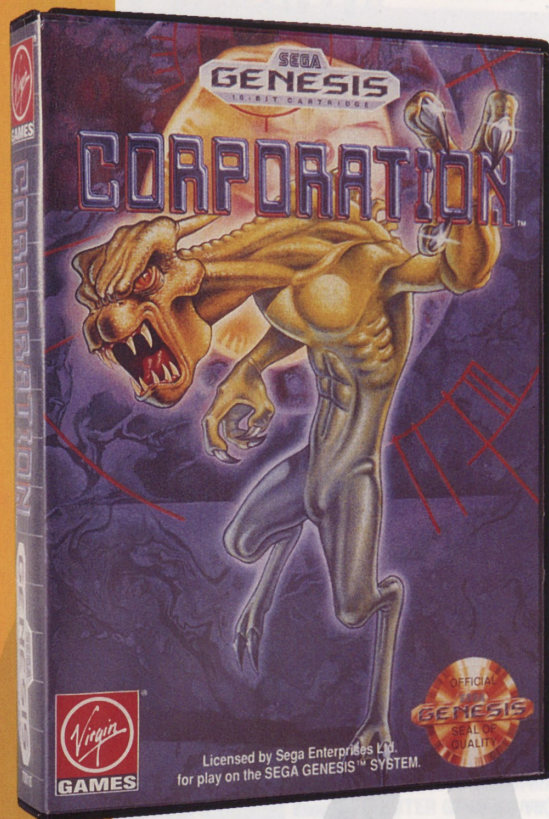

- 1 or 2 player moves, against your friend or a computer player
- 5 selectable levels of computer skill to provide a never-ending challenge
- An "on-screen" playfield designer so you can customize your own game, or select your favorite from the 512 pre-programmed playfields, for endless variety.

### NES

Just like its portable little brother SPOT Game Boy, SPOT for the NES features 5 challenging skill levels and 512 pre-programmed playfields. Custom-design your own playfield for an endless variety of games.

"Now...you and some friends (up to 4), can challenge the Spots to dizzying game strategy in this new board-style cart...Who would have ever thought that a bunch of smart-alecky little Spots could be so clever at strategy?"  
**GAMEPRO MAGAZINE**

## CORPORATION

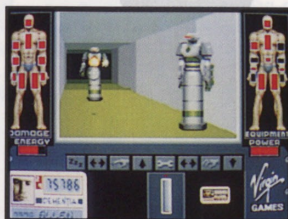

ARE YOU TOUGH ENOUGH TO TAKE ON THE 21st CENTURY AND SAVE MANKIND FROM HIS UNTIMELY DESTRUCTION BY A GENETICALLY ENGINEERED WAR MACHINE?

Talk about your work-related stress! As a ZODIAC special agent, your job is to crack the complex security systems of the Universal Cybernetics Corporation and track down the mutant robot they have designed as the ultimate killing machine. You'll arm yourself with a whole arsenal of weapons – everything from hologram projectors to special vision enhancement visors to thermal infra-red image intensifiers. If all else fails – you'll have to rely on your own psychic powers!

### FEATURES INCLUDE:

- 16-level 3-dimensional environment complete with fast, smooth scrolling
- Realistic action control of six characters: 2 male, 2 female and 2 droid
- 360 degree vision
- Environmental sound effects

**"Tension and unease, with danger lurking around every corner... This Number One European Hit will keep you on your toes and coming back for more."**

## THE TERMINATOR

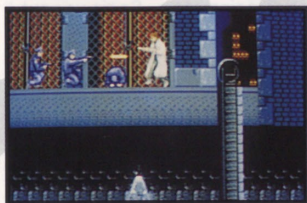

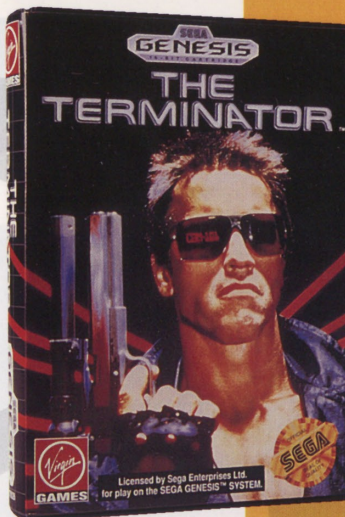

Welcome to Post-Holocaust Los Angeles in the year 2029, where mutant robots pilot their crafts through the blood-red sky, hunting down human beings that once dominated this wasteland.

Just like the movie, you assume the role of Kyle Reese, a time traveller from the future who returns to modern-day L.A. to protect the life of Sarah Conner – the beautiful woman who holds the key to the survival of the human race.

Your mission: Outwit and outmaneuver a brutal killing machine known as the Terminator. He's big, he's bad and he's virtually unstoppable – let's hope you're smarter!

### FEATURES:

- Movie-like soundtrack complete with realistic sound effects
- 8 MEG of futuristic firepower

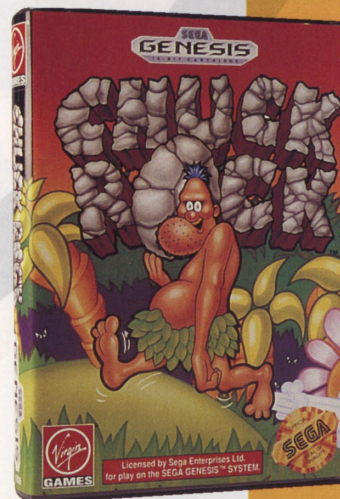

## CHUCK ROCK

DON'T LAUGH – HE'S PROBABLY RELATED TO YOU!

Long before there was a Bedrock, there was a Chuck Rock. But Chuck Rock hasn't been the same since his long-time rival in love, the evil Gary Gritter kidnapped his wife, the luscious Ophelia.

Kick, throw rocks and belly-butt your way through a variety of comical zones featuring over 500 exciting screens of gameplay as you help Chuck in his quest to rescue Ophelia from the evil Gary Gritter.

In addition to using good old-fashioned brute force on a host of stone-age critters, you'll have to use a little CroMagnon grey matter to solve puzzles as you weave your way through five challenging levels including a scary cave, an Ice Age, a hazardous water world and even a dinosaur graveyard.

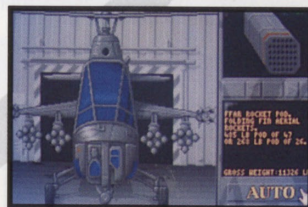

# THUNDERHAWK

**THE ULTIMATE HELICOPTER COMBAT  
SIMULATOR!**

Congratulations – it's 1995 and you've been selected for the hottest seat in helicopter history: the cockpit of the AH-73M Thundrehawk. This is the Pentagon's brand new gunship, never before flown in combat, and it's up to you to put her through her paces. AH-73M Thunderhawk is the most advanced helicopter simulation ever brought to the computer screen. In addition to being a combat simulator, Thunderhawk is also a full-featured, challenging game. So zip up your flight suit, adjust your sunglasses, and control your nerves *'cause this one makes Nam look like a day at the beach!*

Here's what the Thunderhawk combat helicopter simulator has that the others don't:

- Campaign scenarios with a multitude of missions
- A true world to interact with – not just a cockpit – but other locations and characters that respond to your actions
- A helicopter armed with the latest in weaponry, electronic countermeasures, functioning displays and computer-aided targeting systems
- Realistic missions reflecting actual military conflicts and contingency plans

## SHUTTLE

### THE SPACE FLIGHT SIMULATOR

Based on official government documents, SHUTTLE is the most accurate and comprehensive simulation of NASA's Space Shuttle ever produced for any home computer. With the aid of Mission Control, you will master such challenges as deploying and repairing satellites, launching spy satellites, maneuvering your craft in zero gravity, attaining the correct re-entry trajectory, and pulling off complicated landings.

Advance polygon and elliptical graphics along with actual land and star maps were used to create the breathtaking 3D panoramas of the Orbiter and its environment, which can be viewed from any angle at any time.

#### FEATURES:

- Numerous training and scientific missions
- Authentic control panel display
- Multiple help levels from "novice" to "veteran"
- Various launch and landing sites
- Advanced polygon and elliptical 3D graphics
- Rolling demo of major features and views
- Orchestral quality music
- Comprehensive training and reference manuals
- Fold-out shuttle flight deck poster

"With brilliantly detailed flight deck...impressive 3D animations and mind-boggling attention to detail...the SPACE SHUTTLE SIMULATOR looks like the ideal training ground for all budding astronauts."

## REALMS

There can only be one...  
Just make sure it's yours.

Love Thy Neighbour?  
Or Put Him To The Sword?  
The Choice is Yours.

For the first time, you can take complete control of your own destiny as you attempt to dominate an entire world.

The King is dead. Long live the King. And the King is you...

Endowed with the divine right to rule, you inherit your father's Realm on his death. But the fragile peace has been shattered and war rages between the Realms. Now your brief reign has become a fight for survival.

The neighboring Realms are growing in strength at your expense. Do you build lines of supply to barter with them? Or build armies to battle with them? Each Realm vies to be the ultimate power. There can only be one. Just make sure it's yours.

Created by the award-winning Graftgold development team, REALMS combines the intuitive playability of an arcade game with the depth of strategy usually only found in the most complex simulations.

Enter the world of Realms and you could control:

- Over 125,000 square miles of fractally-generated landscape
- 128 armies, each a thousand strong and with definable battle formations
- Countless cities, their inhabitants lives and their money
- Six distinct humanoid races

The last word in arcade strategy.

## CUSTOMER SERVICE/TECHNICAL SUPPORT

## LEGACY OF THE NECROMANCER

**I SENSE A STRANGER APPROACHING, ONE WITH THE POTENTIAL TO DESTROY ME—BUT BEFORE I CAN CONFRONT THIS NAIVE MORTAL, I MUST BE FREE OF THESE ICY CHAINS.**

For as long as you can remember, yours has been a world of frigid cold and bleak skies. Suddenly, the harsh life in the village of your birth is forever altered when the warming rays of the sun are felt for the first time in centuries.

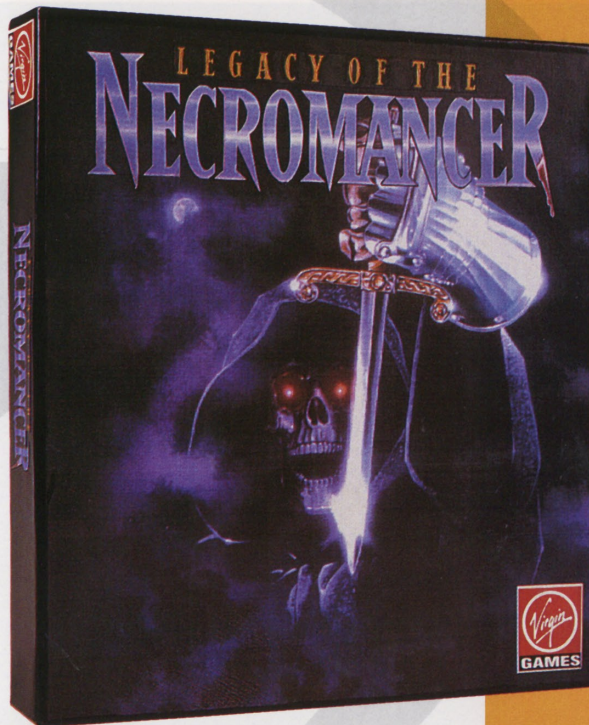

Oddly, instead of inspiring jubilation, an emergency meeting is called by the village elders and the horrible truth is revealed. Two hundred years ago, a Necromancer of inestimable powers had summoned an Ice Age to punish the foolish mortals who sought to destroy him—only to find himself imprisoned in a temple of ice in the dungeons beneath your very village.

Before the icy prison thaws, before the Necromancer is able to summon his minion of Undead, someone must plunge deep into the belly of this treacherous Underworld and exorcise the world of this fiend once and for all.

To your honor, the elders select you for the quest. As you lower yourself down into the reeking labyrinth, you realize that the elders have neglected to tell you one small detail—how does one destroy a being that cannot die?

### Features:

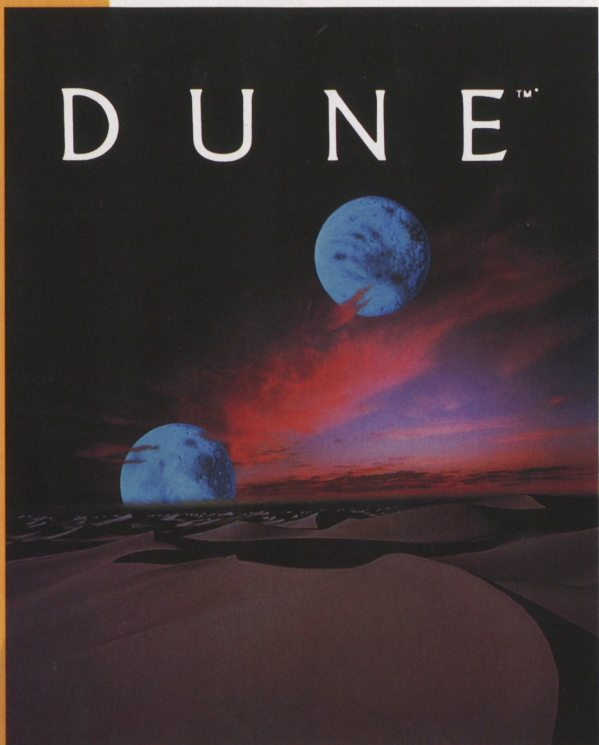

- Ability to custom-design a multitude of characters using classic RPG attributes.
- 13 levels replete with labyrinths to explore and puzzles to solve
- Visual responses to power levels allows you to actually see your characters increase in physical strength.
- Ability to cast spells and interact with an assemblage of beasts and ghouls who might be able to provide you with valuable insights—if you can convince them not to devour you.
- Eerie sound effects and brilliant hand-rendered graphics.

### FEATURES:

- 256 color VGA graphics
- Adventure-packed strategy game follows the surreal storyline of both the book and movie
- High fidelity sound and music

## DUNE

FROM THE "MANUAL OF MAUD'DIB" BY  
PRINCESS IRULAN

"Know now that the year is 10,191. The known universe is ruled by my father, the Padishah emperor. In this time the most precious substance in the universe is the spice Melange. The spice extends life and expands consciousness – which is vital to space travel.

Just moments ago, my father ordered the House of Atreides to journey to the desolate planet of Arrakis, or Dune as it is also known, to break the spice production monopoly of the brutal Harkonnens."

As the cunning soldier Paul Atreides, you must seize this opportunity to drive your long-standing nemesis, the Baron Harkonnen, from Dune.

To succeed in your quest, you must prove to the fierce native warriors who slave for the Harkonnen that you are the great leader foreseen in their prophecies.

But before you can proceed with forever changing the fate of mankind – you must uncover the traitor who threatens to annihilate you and all who follow the House of Atreides.

## KGB

It's your first day at Department P, Moscow KGB and you can't help but think that whoever arranged for your transfer here either has a strange sense of humor or hates your guts.

The KGB is still the most feared and pervasive intelligence-gathering network in the world. But now it is no longer free of the scrutiny it has forced Soviet citizens to live under for over half a century. The KGB is now itself under secret surveillance—by you.

Your superior at Department P in Moscow has just given you your first assignment: find out who murdered private detective Golitsin and why.

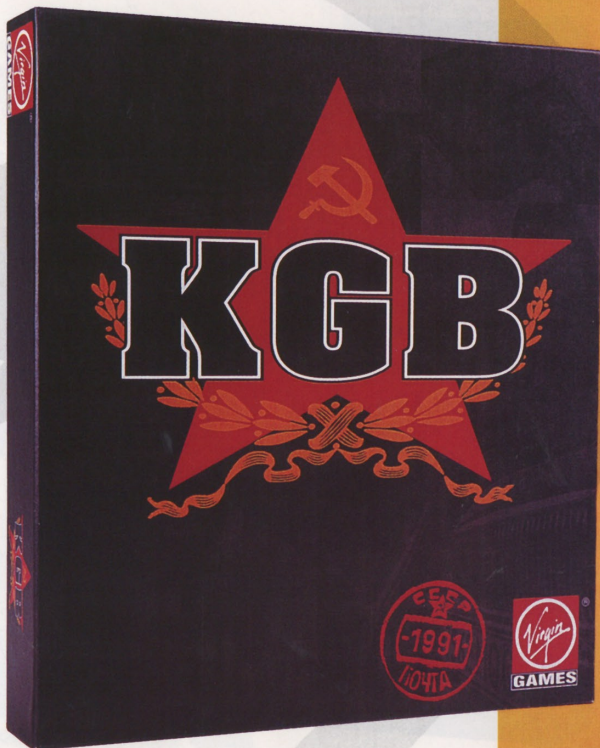

This is just the first of his attempts to test your loyalty to the hardliners. But—who can you trust?—your Uncle Vanya, who seems to know more about the grisly murder of your parents than he is letting on?

Or your superiors, whose own hidden agendas might even include the overthrow of Gorbachev?

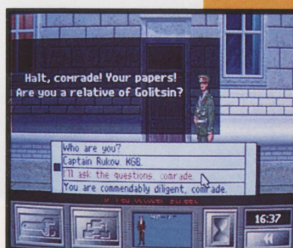

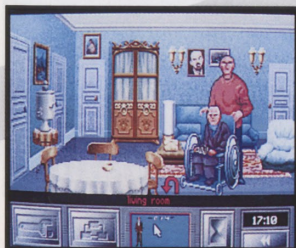

Questions lead to more questions but one thing is clear—the KGB reeks of corruption and you're about as safe as a long-tailed cat in a room full of rocking chairs. Be advised, comrade—you must act quickly and shrewdly to uncover the conspirators before they uncover you.

### FEATURES:

- Movie-like storyline filled with surprising twists and intrigue
- Intuitive Icon-based Interface—that means no more wading through menu after menu—just “POINT” and “CLICK”
- VCR-style “REWIND” option for keeping track of important clues and information

## SCRABBLE DELUXE

### THE DELUXE COMPUTER EDITION OF SCRABBLE® BRAND CROSSWORD GAME

In 1931, Alfred M. Butts, an out-of-work architect, fervently hoped that a new game he had just devised would change his fortunes. Butts, a lifelong devotee of anagrams and crossword puzzles, called the game "Crisscross Words." Renamed SCRABBLE® in 1948, production of the game began in a little red schoolhouse in Newton, CT. Since then, over 100 million SCRABBLE® brand games have been sold world-wide.

Worthy of any SCRABBLE® connoisseur's collection, your favorite mind-bending word game is back with more style than ever, outshining all previous computer versions.

- **THE OFFICIAL SCRABBLE® PLAYERS DICTIONARY** – Considered the SCRABBLE® Player's "Bible", this on-screen gem appears in its 100,000-word entirety. Including the definitions to thousands of rare and exotic words, this dictionary provides a wonderful source of reference whether you're playing the game or not (Hard disk installation required)
- **USER DICTIONARY** – Allows you to add words not currently available in the on-screen dictionary
- **ANAGRAM** – Enter up to 8 letters and the computer will scramble them around and display every possible word combination

- **CROSSWORD** – You enter the word you desire, using \*\*\* to fill in the wild cards. The computer looks through the dictionary and fills in the blanks
- **TAKE BACK** – "Rewind," "Play" and "Forward" gameplay with a VCR-style button display that permits you to throw out previous moves and start over from any point
- **PULL-DOWN MENUS** – Allow you to easily access all the commands and features
- **9 LEVELS OF SKILL** – Opt to play against computer players with increasingly challenging levels of expertise

Play DELUXE SCRABBLE® with family and friends, or against the master wordsmith of them all, your own computer.  
For the challenge of building up your vocabulary and strategic skills or just for the fun of it – enjoy the latest and greatest version of the most popular word game around!

## RISK

## OVERLORD

Government presents one of the most complicated challenges known to man. In order to run a single country efficiently, a leader has to control and manipulate a host of variables. Imagine how much more complex it is to govern an entire planet, let alone an entire system containing eight, sixteen or thirty-two planets...Are you ready to take the challenge of Overlord?

Overlord is a single-player strategy-simulation game that offers you the chance to battle for economic and military domination in four planet systems. As a dictator, you are personally responsible for managing resources, governing people, overseeing mining and farming operations, developing military strategies, training troops, planning campaigns and directing battles. Four alien dictators, one in each planet system, seek to defeat you. Your ultimate goal is to win all the territory there is to win and to crush all four opponents, thereby protecting your home universe from the threat of invasion.

Strategic skills are called for—both as commander-in-chief and as director of economic policies. Moral decisions also

have to be taken; for instance, are you prepared to starve your people to death, tax them totally out of pocket and sacrifice them without mercy to the alien forces in order to hold on to power? Or do you see yourself as a beneficent ruler, who cares for the health and welfare of subjects?

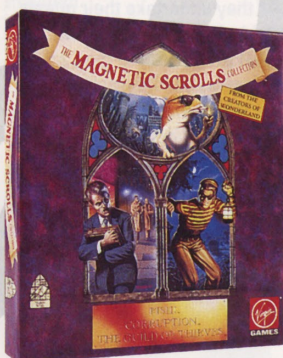

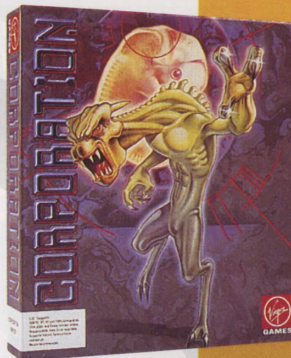

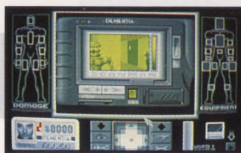

## CORPORATION

### ARE YOU TOUGH ENOUGH TO TAKE ON THE CORPORATION?

Even the most hardened player will be challenged by this one... Feel the tension and unease created by the realistic 3D sequences. You'll be kept locked in combat for a long time to come as you struggle to expose The Universal Cybernetics Corporation in its bid to develop a mutant robot for military purposes. As a ZODIAC special investigator, can you save man from his untimely destruction in the 21st Century, or is he doomed to see his faithful robot turned into a genetically engineered war machine, designed to kill?

#### FEATURES:

- Arm yourself with cutting-edge weapon arsenal including hologram projectors, special vision and thermal infra-red image intensifier.
- Crack the complex security system complete with cameras, computer-locked doors, pressure pads, airlocks and infra-red beams.
- Complete 16 level 3-dimensional environment with fast, smooth scrolling
- 360 degree vision
- Realistic control of six characters: 2 male, 2 female and 2 droid
- Environmental sound effects

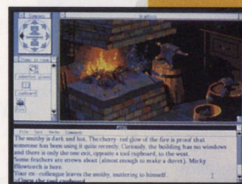

## MAGNETIC SCROLLS COLLECTION

Three Magnetic Scrolls' hits in one package – now enhanced to run under WONDERLAND's Magnetic Windows game environment.

**GO FISH!** – The Seven Deadly Fins, an inter-dimensional group of anarchists, are on the loose. "THE PROJECT" has been sabotaged. Can you – a mere goldfish – save the day?!? FISH is full of what you least expect – lacking all that's rational and completely devoid of good sense!

**OR PLAY CORRUPTION** – As far as anyone can tell, you're on the fast track to success in the big City. How far will you go in your race for the good life? Is the sky the limit? Corruption is a racy thriller where the only one you can trust is yourself!

Join up with the Guild of Thieves in the third hit from the MAGNETIC SCROLLS COLLECTION – How sneaky can you get? The answer is VERY if you hope to stand a chance of joining the Guild of Thieves. In the GUILD OF THIEVES, treasure abounds – but can you find and steal it all?

## VENGEANCE OF EXCALIBUR

In the Spirit of Excalibur, the Knights of the Round Table fought to defend medieval Britain from the evil sorceress, Morgan Le Fay. With Morgan's death, the

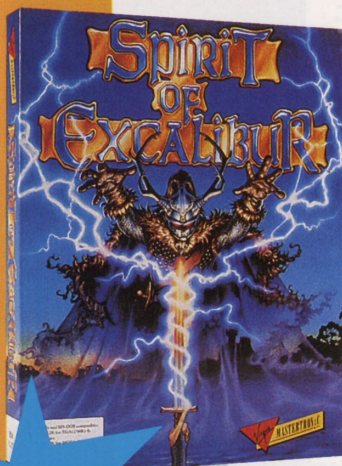

Shadowmaster, a Great Demon lord, was freed to work his evil will against the unprepared folk of Britain. Striking in the night, he imprisoned the King with a spell, stole the greatest treasures of the realm and kidnapped Nineve, the court enchantress. In Vengeance of Excalibur, command knights and whatever followers they are able to recruit to track the Shadowmaster through hazardous, beautiful and mysterious medieval Spain.

Seek what aid you can as you acquire and learn the use of the sorceries of Moorish Spain, for only with the aid of enchantments and the loyalty of strong allies will you stand a chance of ridding the world of the demonic Shadowmaster.

## SPIRIT OF EXCALIBUR

One dark day follows another in the months after the death of Arthur. Black knights, Saxon invaders, necromancers and even giants plague the land and destroy any chance of peace. Damsels in distress abound and fell beasts plunder and pillage.

From the knights of the Round Table, a hero must be chosen to lead a band to restore right through might. Select from knights of varying feudal loyalties, nobility and mystic powers each time you embark on a new game. With each new assemblage of champions, the course of the game changes.

The first in a series of Fantasy Epic Games with transferable characters, Spirit of Excalibur combines elements of traditional fantasy role-playing, animated adventure and combat simulation games.

As in the best FRPs, the knights and lords, wizards and clerics of the court of Camelot are yours to befriend and command. As they undertake their quests, you'll roam at will through the richly detailed world of mountains and rivers, townships and cities, castles and ruins of medieval Britain. More than 2.5 megabytes of dazzling artwork illustrate your journey as you interact with the peasants, warriors, maidens, nobles, bandits and other folk of the time.

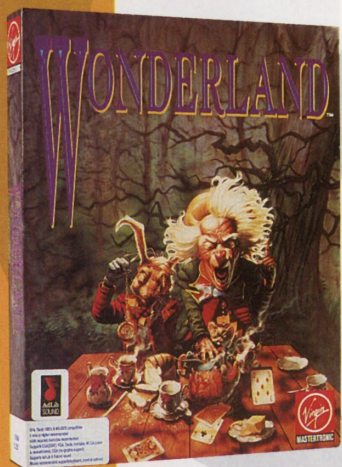

Years of historical research ensure that this, at last, is the definitive game on Arthurian legends.

May your heart be true and your sword arm strong in your appointed journey.

Coming Soon: CDTV and CD ROM versions featuring cinematic-style soundtracks with real actors' voices.

## WONDERLAND

Step into the bizarre logic of Lewis Carroll's spellbinding imagination. Attend the Mad Hatter's absurd tea party. Meet the caterpillar perched upon his mushroom, dreamily puffing away on his hookah. Drop in on the duchess (is that a baby or a piglet that she is holding?) and her temperamental cook. You, as Alice, face a plethora of puzzles and puns. Like how to assist the royal gardeners in painting the roses red before the eccentric Queen of Hearts arrive to inspect them. Challenges to perplex and enchant you for hundreds of hours.

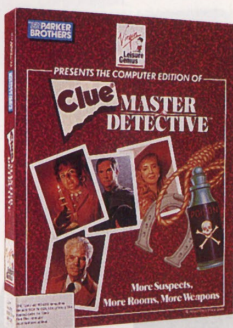

But Wonderland isn't just a bewitching story. It's playing environment breaks new ground for computer adventures.

**"Innovative," "ambitious" (THE CHICAGO TRIBUNE), "exquisite and impressive" (CGW), "brilliant and insane" (THE ELECTRONIC GAMER),** are more words used to describe Wonderland. Questbusters call its windowed universe **"the ultimate interface."** Stunning graphics, impressive sound board support and a captivating story, all in a sophisticated new windowing system, combine to make Wonderland the richest adventure ever: a game to play, to tell, and to inhabit.
