

INSTRUCTION FOR 6634

KOSMIC KAMIKAZE

Copyright 1981 United Microwave Industries, Inc.

GENERAL

Your earth-bound battle station is destroyed if just one of the alien horde reaches the ground. Their Mother Ship checks her mad brood from time to time, and watches over them well. Watch out for her! Your success only incites her to sacrifice new waves of offspring to plunge feverishly at you.

SCORING

One point for each alien, 5 points for destroying the Mother Ship. Each 25 points earns you an extra battle station.

LOADING THE PROGRAM

Please see the tape loading instructions.

STARTING PLAY

Press any key to start.

With the joystick: Move the joystick left or right to move the base left or right, and FIRE with the joystick button.

With the keyboard: Use the down cursor key to move left, the right cursor key to move right, and FIRE with the space bar.

STRATEGY

Get them before they get too close to the ground, because they never let up.

TO LOAD & USE YOUR VIC CASSETTE TAPE

1. Be sure your computer, tape cassette recorder and TV display are connected properly and powered on. The last message displayed by the VIC should be the word READY.
2. Place the tape cassette in the recorder with the label side up. (Programs are always recorded twice on one side of the tape).
3. To move to the beginning of the tape, press the REWIND switch on the tape recorder. When rewinding stops, press the recorder's STOP switch.
4. On the VIC's keyboard, type in LOAD and press the RETURN key.
Note: If you have different programs on the same cassette, type LOAD"name of program" then press the RETURN key. (i.e., LOAD "AMOK"). For programs written in machine language, type: LOAD"name of program",1,1
5. Your TV will display PRESS PLAY ON TAPE. After you press the recorder's PLAY switch, the words OK and SEARCHING are displayed.
6. When VIC finds the program, it displays the word FOUND, followed by the name of the program, then tells you it's LOADING.
7. When you see READY, first press the STOP switch on the tape recorder, then on the VIC type in RUN and press the RETURN key.
8. See the specific instructions for your program on how to proceed further.

IF YOUR TAPE DOES NOT LOAD, FIRST REPEAT STEPS 4 THRU 7 ABOVE. IF THE PROGRAM STILL FAILS TO LOAD, TURN POWER OFF, THEN POWER ON AND REPEAT STEPS 3 THRU 7.

IF PROBLEMS STILL PERSIST REFER TO YOUR MANUAL AND/OR YOUR DEALER.
