It was the first time Mr. Rich N. Boring had his name in the papers. It was in recognition of his upcoming donation of a valuable rare stamp to the Auxiliary Association of Associated Auxiliaries. Unfortunately, his name was followed by his address. By morning the stamp was gone. From the looks of the footprints on Boring's newly varnished floor, Touche deduced that the thief's sole adhered and came loose. The stamp was described as an 1872 commemorative. TOUCHÉ'S AUTO

Upon Touche's arrival, a federal attache will present him with a specially equipped 1935 Model A. Its unique feature is the ability to jump as high as two stories. Additionally, it can make 90° turns and has a cruise control.

**USE OF THE CONTROLLER** 

Use the left Joystick. To accelerate left or right...move the Joystick left or right. To drive into an alley or park lane...push Joystick up.

Setting it to b causes the car to jump to its maximum height with a single press of the button.

"Oh...My apologies for the sketchy map on the other side. In any case, it's our single irreplaceable guide to the city. It came from the waning memory of a late Le Fiend cohort. Before he passed on, he said something about secret passages, deadends and one-ways. Lots of them. Too many for him to remember. He marked a few of them, but you'll have to map out the rest.

## POLICE PROCEDURE

Warrant Requirements - Reasonable cause must be established before Le Fiend can be booked with the police. "Reasonable cause" consists of finding the evidence, verifying it at its place of origin, recovering the stolen property and returning it to its owner. The evidence and stolen item may be found in any order, but you may only carry and return one item at a time. Proceed with caution: After the first item has been returned, thugs lurch out from behind steps and bushes to throw daggers. Jump to avoid them. If you're hit, the thug will repossess anything you are carrying.

Questionable Characters - Throughout the case, questionable characters will peek out of windows. Any one of them may be harboring the item you are looking for. Jump up and see! Even if they're empty-handed, you'll still get merit points each time you nab one of them. Finally, if you recover an item while you are carrying another item, the questionable character will make a switch and you will continue with the new item.

The City Beat - Get to know the locations of detours and roadblocks. Detours are striped; roadblocks are solid yellow. You will also encounter secret passages, one-ways dead-ends. Secret passages are short-cuts whereby you enter an alley on one street, and may emerge on a different block, often in a different part of the city! Get to know these short-cuts and map them out. Many offer round-trip passage, but some are oneway only or dead-ends.

## POLICE MERIT SYSTEM

Special agents will begin with 1000 merit points - just for taking on the case! The following system of merits and demerits applies:

Minus 1 Whenever auto is on a pot hole. Minus 100 If Touche or his car is hit by a brick. Minus 200 If hit by a flowerpot. Minus 300 If hit by a rat. Minus 400 If hit by a bird. Minus 1000 If hit by a dagger,
