CUSTOMER SERVICE INFORMATION

If you need technical support, customer service, or have a question, here are several sources for help.

YOUR DEALER

Your dealer can help with most problems. If a disk or manual is damaged or missing, your dealer can replace the product immediately.

COMPUSERVE (address 76670,2202)

Send us Email or visit FSFORUM and GAMPUB. These are two of the best places on Earth to get answers to your questions. Users routinely share their hints and tips.

PRODIGY (address VFSS19A)

Send us mail or try visiting the Computer Club bulletin board.

VELOCITY BBS (708-991-0597)

Velocity maintains a BBS system. If you have a modem, you can dial in for answers to your questions and the latest Velocity news. Updates may even be available for download.

U.S. MAIL (P.O. Box 875 Palatine, IL 60078)

If you have a question or suggestion, put it in writing! We love to hear from our customers.

TELEPHONE (708-991-0594)

If at all possible, be in front of your computer when you call. As 90% of all problems are due to software conflict, we may need to ask about your configuration. Please have a listing of your CONFIG.SYS and AUTOEXEC.BAT handy.

REMEMBER! You cannot receive technical support unless you register as a user! And all you have to do is mail in this form! For more information about our customer services, consult the manual.
